

BUTTERFLY

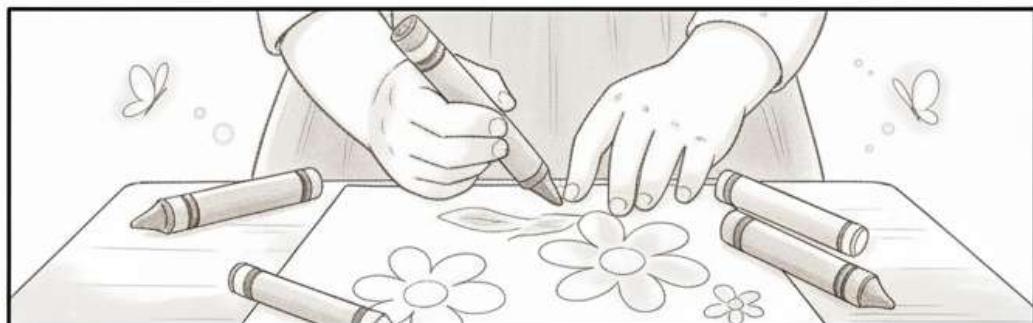

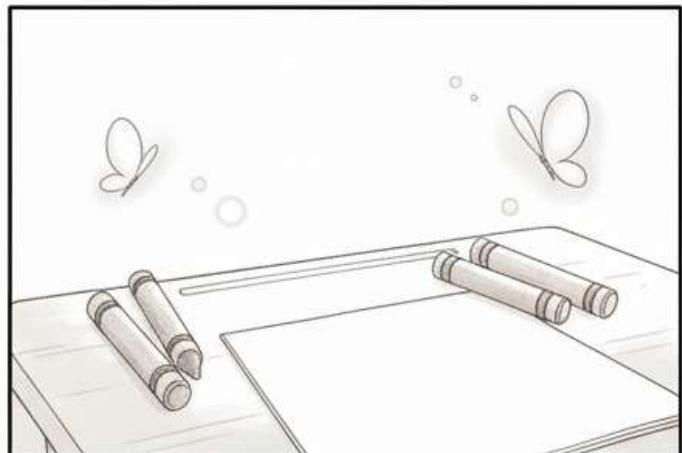

A Silent One-Sided Love

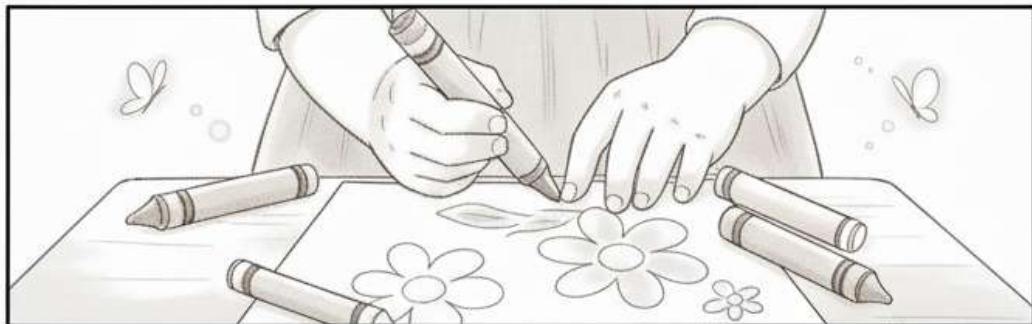

Childhood

Lost Friend

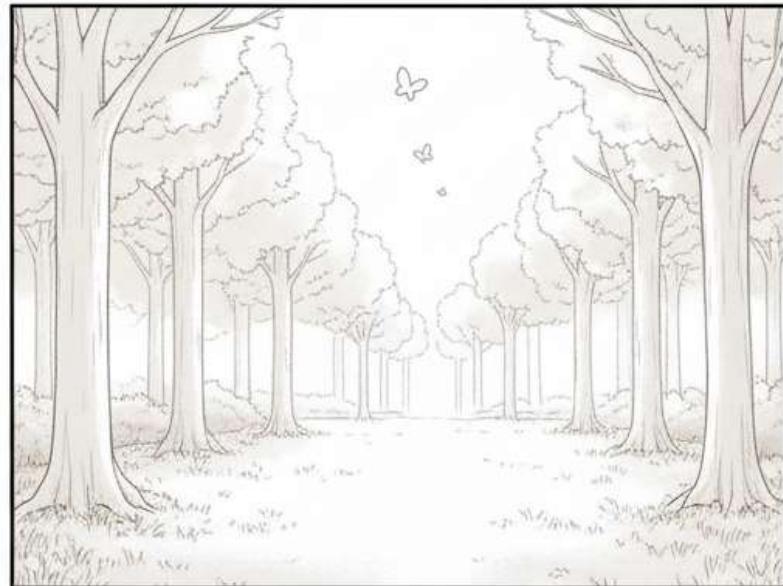

Destiny Returns Once

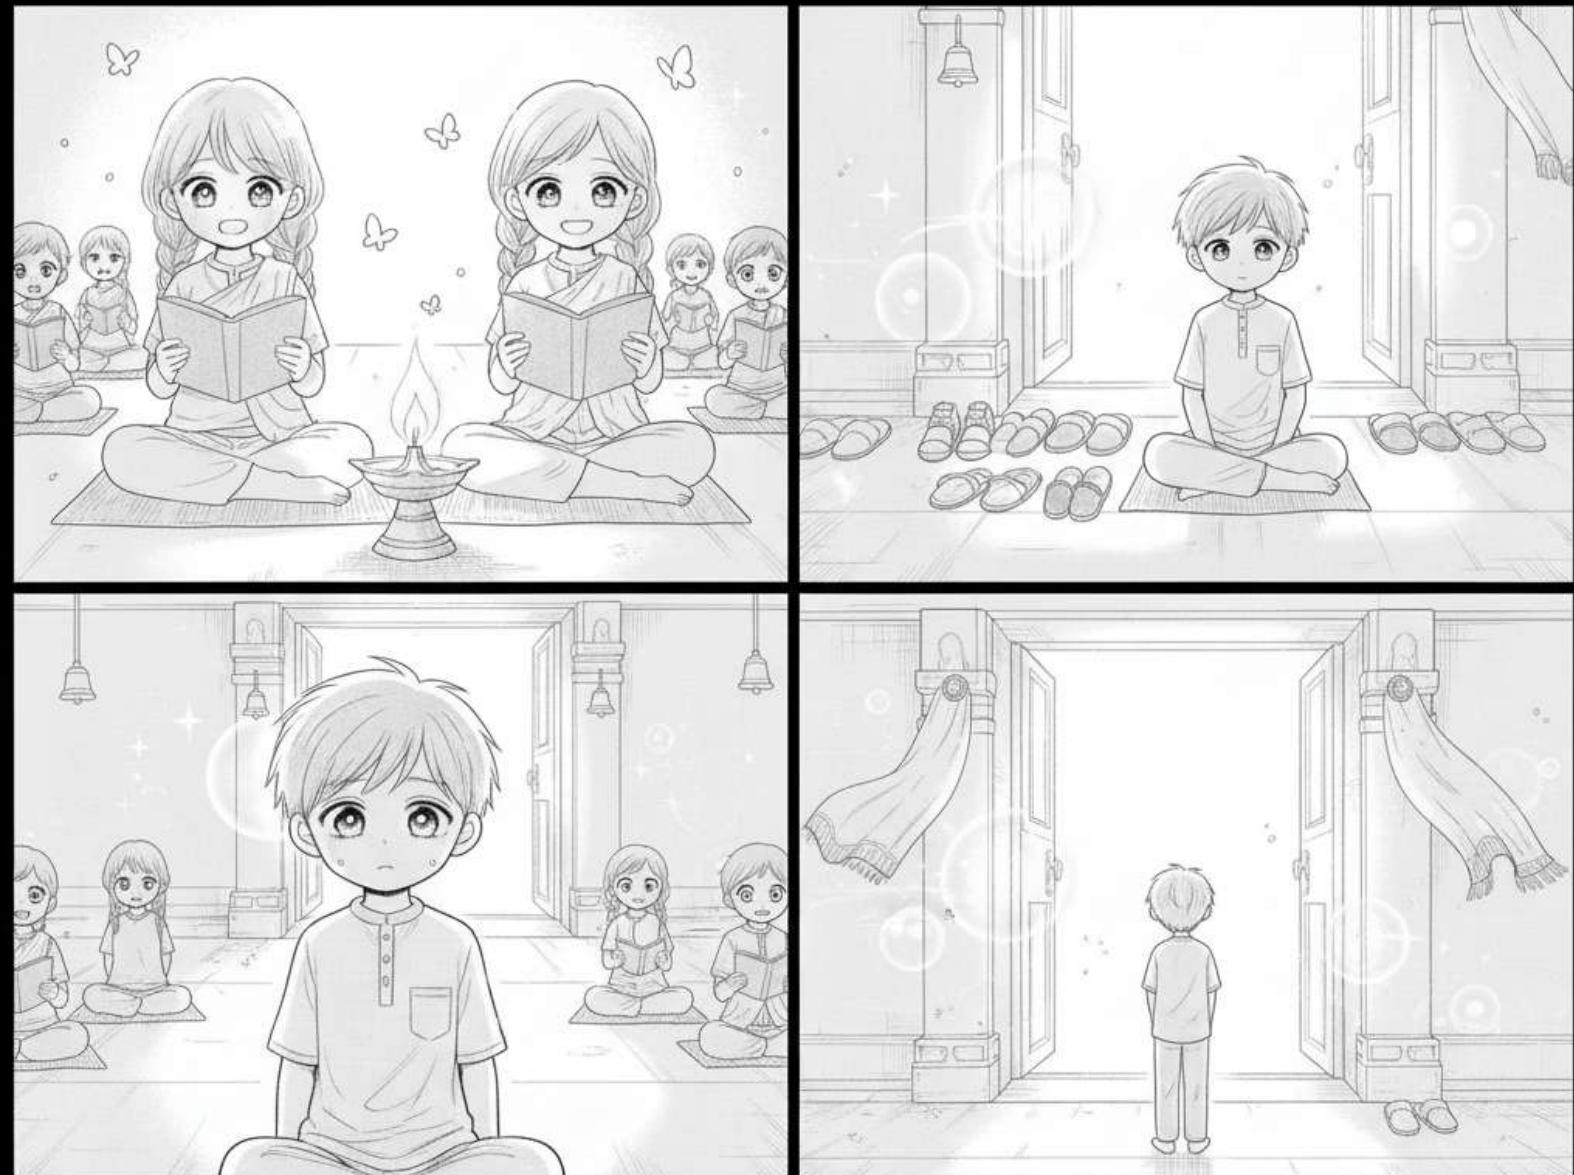

After years... she
appeared again.

After Years

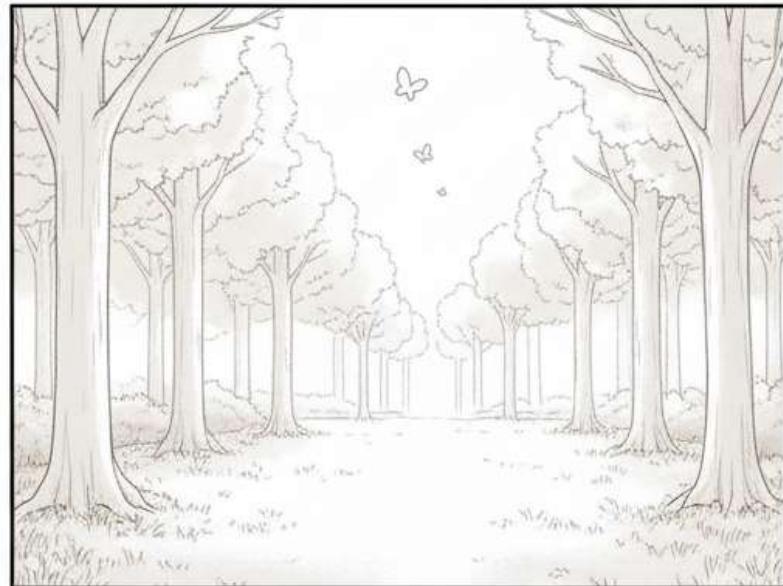

And one morning... destiny
destiny returned her again.

Silence Again

She came like a memory...
and disappeared again.

After Years

And one morning... destiny
destiny returned her again.

My Distance, My Peace

I never spoke. I
I only watched... quietly.

Maybe Tomorrow

Hope... that tomorrow she
she would come again.

Forever

She will always be...
my butterfly.
